What could St Johnstone FC do to
make LGBTQ+ fans more welcome?

PROUD SAINTEES

*The fans group for LGBTQ+
Supporters of St Johnstone FC.*

Many LGBTQ+ fans are discouraged
from going to football games because
they have no one to go with or because
they fear the atmosphere on the
terraces will not make them feel
welcome.

PROUD SAINTEES aims are to:

- **Foster a safe place for LGBTQ+ Fans at St Johnstone FC**
- **Encourage more LGBTQ+ Fans to attend games**
- **Provide a LGBTQ+ voice at St Johnstone FC**
- **Maximise opportunities for LGBTQ+ visibility in Football**
- **Champion social activity and build a sense of community**
- **Challenge hate on the terraces in all forms**

This leaflet has been
printed with support from
the St Johnstone
Community Trust.

St. Johnstone FC has a proud record of supporting the local community.

LGBTQ+ supporters are part of that community. **PROUD SAINTEES** aim to work closely with the club to make sure that St Johnstone FC is a safe space for LGBTQ+ fans.

PROUD SAINTEES wants football to take a clear stand against homophobia and transphobia so that everyone can enjoy watching St. Johnstone. We will challenge hate on the terraces, and work with St Johnstone to stamp it out.

PROUD SAINTEES will promote campaigns like Rainbow Laces and Football v Homophobia Month,

PROUD SAINTEES will seek to find ways to encourage more LGBTQ+ fans to attend games. This might include a “buddy” system for those anxious about attending for the first time; LGBTQ+ fan days for home or away games.

PROUD SAINTEES would like to thank **St Johnstone FC** for providing our banner and Pop-up and **RYSE Together** for the design.

PROUD SAINTEES acknowledges the support of: **St Johnstone Football Club; Saints in the Community; Perth Parrots; Rainbow Heartlands; Perthshire Pride; Leap Sports; Perth and Kinross Council.**

What should the priorities of **PROUD SAINTEES** be (mark 1.2.3. etc)?
